

Feed & Pet Food Sales Licensing Guide

The Kansas Department of Agriculture is devoted to the total support of agriculture in Kansas. While we must fulfill our statutory obligations, the department is dedicated to providing support and assistance to make Kansas farms, ranches and agribusinesses successful and help them grow if that is their desire. We also encourage more farms, ranches and other agriculture business to expand in or relocate to Kansas. This checklist will help guide you through various resources and requirements for opening and operating a typical Kansas feed and pet food business. In addition to license requirements by KDA, other Kansas agencies as well as local or federal government agencies may have regulatory requirements to follow. Contact your local planning authority to ensure you follow all local business development laws, rules, regulations and guidelines. This guide is designed to assist you as you work to build and operate a successful feed and pet food business in Kansas.

✓	Department	Description	Renewal
	Office of the Secretary of State www.kssos.org	Complete the appropriate business entity filings and forms required by the Kansas Secretary of State. Call 785-296-4564 for more information.	Prior to starting
	Department of Revenue www.ksrevenue.org	Visit the Department of Revenue website to find important business tax information . Call 785-368-8222 for more information.	Prior to starting
	Department of Agriculture — Dairy and Feed Safety Program http://agriculture.ks.gov	Kansas requires that all manufacturers, importers, jobbers, firms, associations, corporations, or persons that sell, offer or expose for sale or distribution of commercial feed in Kansas must have a commercial license for each manufacturing facility located in the state. Commercial feed includes feed for livestock, poultry, pets (including pet treats), specialty pets, and customer formula feed regardless of package container size or amount. Review the applicable program documents here . Visit the AAFCO website to learn more about starting a pet food business. For more information, visit the Dairy and Feed Safety website, or call 785-564-6700.	Prior to selling feed, July 1 renewal
	Department of Agriculture — Weights and Measures http://agriculture.ks.gov	No license is needed from Weights and Measures, but feed or pet food business with scales or other weighing or measuring devices must hire a licensed service company to place the devices into service and test once annually if the weighing or measuring devices are utilized for any commercial transaction. Visit the Weights and Measures website for more information, or call 785-564-6681.	Annual service
	U.S. Food & Drug Administration (FDA) www.fda.gov	The medicated feed mill licensing requirements of the Animal Drug Availability Act of 1996 requires certain medicated feed mills to be licensed with FDA. Visit the FDA Medicated Feeds page for more information and application instructions, or call 888-463-6332.	Prior to selling medicated feed
	Department of Health and Environment — Bureau of Water, Industrial Program Section www.kdheks.gov	An NPDES Construction Stormwater Permit is required only if one or more acres are disturbed during construction. The permit is required prior to the start of soil disturbing activities. Visit the KDHE Industrial Programs website or call 785-296-5549 for more information.	Prior to construction
	Department of Health and Environment — Bureau of Water, Municipal Program Section www.kdheks.gov	If the facility will employ an on-site wastewater treatment system for human wastewater rather than utilize a municipal sanitary sewer for handling and disposal of sewage from the facility, contact the KDHE Municipal Program Section at 785-296-5527 for construction and permitting requirements.	Prior to construction
