**APPLICATION FOR EUROPEAN CORN BORER AUTHORIZATION**

The undersigned makes the following statements for the purpose of requesting a facility inspection to meet the quarantine and plant protection requirements of the designated states to ensure regulated commodities are free from the European corn borer. Where handling of regulated commodities will require separate shipments, the applicant further applies to have the listed person(s) designated as agents to issue and sign certificates for each shipment. The applicant agrees to abide by all appropriate rules and regulations of the destination state with regard to the shipment of regulated commodities.
