School Lunch Facility means any school, institution, or other organization providing meals to children through the National School Lunch Program of the Division of Food and Nutrition Services, United States Department of Agriculture.

Satellite School Lunch Facility means any program offered through an education facility with a school lunch program that is operated at a different location as designated by the education facility. A satellite school lunch program does not have on-site food preparation, except portioning food for service.

Please check the appropriate box below. This will be verified during initial inspection.
