Kansas Metrology Laboratory

Governor Sam Brownback

NIST Certified Calibration Pricing (Effective July 1, 2016)

Calibration Ranges	In-State rate (USD)	In-State for Quantities > 10 (USD)	In-State for Quantities > 100 (USD)	Standard rate (USD)	Standard for Quantities > 10 (USD)	Adjustment fee per piece (USD)
Weight Carts (≥ 8000 lb)	200	-	-	220	-	25
Weight Carts (6000 lb through 2000 lb)	80	-	-	100	-	25
Extra Large Headhouse Weights (3000 lb through > 1250 lb)	40	-	-	50	-	5
Large Mass (≤ 1250 lb through ≥ 100 lb, ≤ 500 kg through ≥ 50 kg)	16	8	6	20	10	5
Medium Mass (< 100 lb through ≥ 20 lb, < 50 kg through ≥ 10 kg)	6	4	2	10	5	5
Small Mass (< 20 lb through 0.001 lb, < 10 kg through 1 mg)	6	4	2	10	5	5
Small Mass Set (≤ 10 lb through ≥ 0.001 lb, ≤ 5 kg through ≥ 20 mg)	35	-	-	45	-	5
Precision Mass: ASTM 2, 3, 4, 5 (1000 lb through 0.001 lb, 30 kg through 1 mg)	20	-	-	30	-	40
Precision Mass Echelon I: ASTM 1 or ASTM 0 (30 kg through 1 mg)	40	-	-	60	-	-
Large Volume (> 500 gal)	485	-	-	500	-	25
Large Volume (≤ 500 gal through > 200 gal)	285	-	-	300	-	25
Large Volume (≤ 200 gal through > 100 gal)	185	-	-	200	-	25
Large Volume (≤ 100)	85	-	-	100	-	25
Large Volume LPG (≤ 200 gal through > 100 gal, <100 gal)	370	-	-	400	-	50
Large Volume LPG (100 gal)	170	-	-	200	-	50
Small Volume (5 gal)	50	-	-	70	-	10
Gravimetric Volume (≤ 5 gal)	180	-	-	200	-	-
Thermometry (-35 °C through 150 °C) (Based on a per point calibration)	90	75	-	110	90	-

Quantity rates are only for a single delivery of items and a single test report number. Quantity rates are not cumulative and will not be extended.
Items split between multiple test numbers or reports will be viewed as individual deliveries and quantity rates will not be extended.
\$50.00 is the minimum amount charged per test number.

Agricultural Laboratory
 6531 SE Forbes Ave, Suite B
 Topeka, Kansas 66619
 (785) 296-7020

Office of the Secretary
 900 SW Jackson, Room 456
 Topeka, Kansas 66612
 (785) 296-3556

Jackie McClaskey, Secretary

Kansas Metrology Laboratory

Governor Sam Brownback

Additional Service Pricing (Effective July 1, 2016)

Calibration Ranges	Handling for Shipping (USD)/Test Number
Weight Carts (8000 lb through 2000 lb)	100
Extra Large Headhouse Weights (3000 lb through > 1250 lb)	40
Large Mass (≤ 1250 lb through ≥ 100 lb, ≤ 500 kg through ≥ 50 kg)	20
Medium Mass (< 100 lb through ≥ 20 lb, < 50 kg through ≥ 10 kg)	30
Small Mass (< 20 lb through 0.001 lb, < 10 kg through 1 mg)	20
Small Mass Set (≤ 10 lb through ≥ 0.001 lb, ≤ 5 kg through ≥ 1 mg)	20
Precision Mass (1000 lb through 0.001 lb, 30 kg through 1 mg)	10
Precision Mass Set (1000 lb through 0.001 lb, 30 kg through 1 mg)	20
Large Volume (1000 gal through 20 gal)	100
Large Volume LPG (200 gal through 20 gal)	100
Small Volume (5 gal)	20
Gravimetric Volume (≥ 5 gal)	20
Thermometry (-35 °C through 150 °C)	20

A cost for preparing items to be shipped will be added to each invoice in which items require return shipping. This separate cost was established to ensure the best price for calibration could be provided to all customers of the laboratory. In addition to cost per piece, a servicing fee will be assessed for any additional work needed to complete a calibration.
