

SHEEP AND MEAT GOAT PRODUCERS QUICK RESOURCE GUIDE

Kansas Department of Agriculture Licensing Guides have been created to identify some of the licensing, permitting requirements required by agencies involved in opening and operating Kansas businesses. In addition to licenses required by the Kansas Department of Agriculture, local or federal government agencies may have additional regulations to follow when starting your business. Contact your local planning authority to ensure you follow all local business development laws, rules, regulations and guidelines.

Checklists:

This checklist will help guide you through various resources and requirements for opening and operating a typical Kansas meat or poultry processing facility:

This checklist will help guide you through various resources and requirements for opening and operating a typical Kansas livestock market:

Grant Opportunities:

The Meat and Poultry Processing Expansion Program (MPPEP) provides grants to help eligible processors expand their processing capacity, which create new, better and more processing options for meat and poultry producers.
