

# Food Safety Fact Sheet

## When Disaster Strikes

---

Disasters occur in food safety. These may take the form of a fire, flood, power outage, or even a truck wreck involving edible foods. Our goal is to ensure that food is handled safely and to help guide the operators through the process.

If there is a disaster involving food, please contact the Food Safety Division at the Kansas Department of Agriculture.

Kansas Department of Agriculture  
Division of Food Safety and Lodging  
1320 Research Park Drive  
Manhattan, KS 66502  
Telephone: (785) 564-6767
