

Kansas Department of Agriculture
Index of Guidance Documents

The following are the Kansas Department of Agriculture's guidance documents as defined by K.S.A. 77-438(a)(2):

Division of Animal Health:

Policy Guidance Document, Animal Shelter, Rescue, or Group Home Shelter Licensee letter dated April 23, 2013

Division of Water Resources:

House Bill 2363 includes several amendments to water structures permit requirements. This guidance document implements those changes and resolves conflicts within current adopted regulations. Dams, stream obstructions, channel changes and floodplain fill projects are all affected by these changes.

Procedural Guidelines, Division of Water Resources, revised May, 2013.

Pursuant to K.S.A. 77-438(d)(2), I hereby certify that this index has been filed with the Kansas Secretary of State. I further certify that this index and all guidance documents are available to the public via the Kansas Department of Agriculture's website: <http://www.ksda.gov>
