

Kansas Ag Month: March 2020

Kansas Ag Day: March 24, 2020

MAKE IT “AG DAY” IN YOUR COUNTY AND HOMETOWN

Kansas Agriculture Day is Tuesday, March 24, 2020, and we invite every county and community, large and small, across the state of Kansas to celebrate. You can recognize your community’s farmers, ranchers and agribusinesses by initiating Kansas Agriculture Day activities at the local level.

Ag Day Event Ideas

Consider these event ideas — or come up with your own! Additional ideas and resources can be found on the National Ag Day website, www.agday.org.

- Host a pancake feed or other meal on Kansas Agriculture Day in honor of your area’s farmers and ranchers.
- Work with your local newspaper to publish a feature section on agriculture in the area.
- Organize a Neighbor to Neighbor food drive with your local FFA chapter, 4-H Club, or other organization.
- Host local 4-H or FFA members to present on agriculture in the community.
- Work with local agribusinesses to highlight their commitment to agriculture and promote Agriculture Day.
- Organize a “Thank a Farmer” day at a local elementary school with in-class presentations.
- Coordinate a presentation from farmers and ranchers at the local library, community center, etc.
- Host a town hall forum and feature panelists to discuss the “hot topics” in agriculture in your region.
- Invite a university agriculture club or local ag organization to talk to elementary students about future careers.
- Set up a display in the public library highlighting local farmers.
- Host Flat Aggie (<http://talesofakansasfarmmom.blogspot.com/p/flat-aggie.html>)
- Distribute information about agriculture or other information through local stores (Get permission first!)
- Distribute information about agriculture or other information through your local store. Ask your grocer to feature the Ag Day Logo or other positive messages about agriculture in grocery bags or signs. You might also set up a farm-to-your-table display in your local grocery store.
