Thanks to the 2020 Kansas Ag Heroes!

Kansas State University Hal Ross Flour Mill

As a registered dietician in the area, I would like to nominate the K-State Flour Mill for the Ag Heroes Program. The flour mill donated bags of flour that they processed in Manhattan, along with recipes for baking at home. The donation event was well organized. I was thrilled that they helped those baking at home due to COVID-19.

Nominated by Teresa Sandborn
