

Thanks to the 2020 Kansas Ag Heroes!

Scott Thellman

I am writing to nominate Scott Thellman as a Kansas Ag Hero. Although the great State of Kansas has had many Ag Heroes since the beginning of the COVID-19 pandemic, Scott Thellman is one of the most obvious Ag Heroes in the State of Kansas. He co-founded Sunflower Provisions, a partnership that delivers groceries to the home, in the very early stages of the COVID-19 pandemic, as a way to continue his own business, but also to cater to the needs of those who were isolated in their homes. This is not the first time that Scott has stood out for his ability to think creatively, independently, and adaptively. Scott established Juniper Hill Farms in 2006, as a first-generation farmer. Juniper Hill Farms provides vegetables to wholesale customers in the Lawrence area.
