

# Hay Exchange Information

*For States in Drought*

August 2021

Many states to the north and west of Kansas have been struggling with severe drought this year. Relief efforts are underway and information to help those states with their hay and forage needs can be found below. The following is a list of hay directories and hay exchanges to help coordinate buyers and sellers.

- Colorado:** Request a hard copy of the Colorado Hay Directory: [loretta.lopez@state.co.us](mailto:loretta.lopez@state.co.us) or call.  
**Phone: 303- 869-9175**

- Nebraska:** <https://nda.nebraska.gov/promotion/hay/index.html> Sellers of available hay and forage can contact this number and have their name, contact information, and inventory placed on the "Sellers List," which is updated regularly. The Nebraska Department of Agriculture will then make the "Sellers List" available to buyers by mail or by this web site. Once buyers obtain this information, they will be responsible for contacting the sellers directly to negotiate any transactions.  
**Phone: 402-471-4876**
- North Dakota:** [www.nd.gov/ndda/drought-resources](http://www.nd.gov/ndda/drought-resources)  
Ranchers who need hay, or those with hay to sell or with pasture or hayland to rent, should call the North Dakota Dept of Agriculture. They are also appealing to individuals who are available to move hay to contact the hotline.  
**Phone: 701-425-8454**
- Minnesota:** The following provides further drought related information and links to hay and grazing exchanges in Minnesota.
