

Mined Land Reclamation Program

SURETY BOND

Know all men by these presents, that _____
(Company/ Principal)

License Number _____, of the County of _____, State of _____,
and _____ as surety are firmly bound unto the State of Kansas, Division
(The Surety)
of Conservation, Kansas Department of Agriculture, Bond Number _____,
effective date _____, expiration date (if any) _____, in the penal
sum of \$ _____ lawful money of the United States, for which payment, well and
truly to be made, we bind ourselves, and each of us, and each of our heirs, executors, administrators, or
successors, and assigns, jointly and severally, firmly by these presents.

The condition of this obligation is that whereas the above bounden principal proposes to conduct mining
operations in and upon land situated within the State of Kansas, and more particularly described in the
attachment to this bond, said land being registered pursuant the K.S.A. 49-608 and including such registered
lands and adjoining lands affected by the mining activities of the principal or his agents.

This assignment is to be a continuing one with full power of substitution.

Bond amounts are as follows:

\$400 per acre for sand and gravel mining operations
\$600 per acre for all other types of mining operations

Bond requirements:

Company Name
License Number
Financial Institution
Bond Number
Amount of Bond
Effective Date of Bond
Expiration Date of Bond
Sites that Bond is Assigned To

Bond is to be assigned to Division of Conservation/Kansas Department of Agriculture

Please check the box notating that the Bond is attached and meets the above-listed requirements. ☐

Please list the site registration information for all sites to be operated under this Bond

SITE INFORMATION

[illegible]

Now, therefore, if the above principal shall fully comply with all of the provisions of K.S.A. 49-611 and the administrative regulations of the State Conservation Commission with respect to the reclamation and conservation of the lands affected by mining operations of the principal or the principal's agents and other lands registered pursuant to K.S.A. 49-607, then this obligation shall be void, otherwise the same shall remain in full force and effect on and after _____ (Date).

This bond may not be canceled by the surety without at least 90-day written notice to the State Conservation Commission. Additionally, this bond may not be released and shall continue in full force and effect with respect to lands which have become "affected lands" under the provisions of K.S.A. 49-607 prior to the expiration of the 90-day notice period.

Company/Principal Representative

As a representative of the above-named company, I certify that the above information is correct to the best of my knowledge, and that the above-named company has the authority to operate a mine on the sites listed on page 2, and that the above-named company has complied with all local, state, and federal requirements pursuant to K.S.A. 49-607(7).
