Emergency Conservation Program

- The largest fire in Kansas’ history, the “Starbuck” fire burned roughly 509,000 acres in Meade, Clark, and Comanche counties in March 2017.
Emergency Conservation Program

Kansas NRCS created a special Environmental Quality Incentive Program (EQIP) initiative with $2.0 million in financial assistance for those impacted by the wildfire.
Field office staff are taking advantage of real time data collection technology with the use of Esri’s Collector for ArcGIS software and hardware including an Apple iPhone 6S Plus and Trimble R1 GNSS receiver.

Nola Walker, NRCS Soil Conservation Technician, from Hugoton, KS, taking a point and entering data
Trimble R1 GNSS receiver unit. This connects to an iphone 6S Plus using bluetooth.
A total of 8 field office staff have checked over 1,500 miles of fence.

To date, over 3.5 million feet have been completed—just short of 650 miles of fence checkouts on 200 properties.

Adam Elliott and Jared Wagoner inspecting a map showing areas where fence lines needed inspection.
The average property is about 1200 acres (two sections) and has 17,000 feet of fence to look at.

Have covered around 200,000 acres of ground—more than 300 square miles.

Ryan Boggs completing fence checkout.

Conservation Stewardship Program

• 162 renewal contracts potentially

• $3.6 million dollars on 277,500 acres

• 160 General Applications as of today—won’t have final number until mid March

• 353,602 acre allocation
Regional Conservation Partnership Program (RCPP)

Milford Lake Watershed RCPP Project

- Source of nutrient loading contributing to aquatic conditions which promote formation of harmful algal blooms (HABs)
Regional Conservation Partnership Program (RCPP)

Milford Lake Watershed RCPP Project
Regional Conservation Partnership Program (RCPP)

Doniphan County Road and Fields Sediment Reduction
Regional Conservation Partnership Program (RCPP)

- High rainfall amounts have created erosion issues on county roads in Doniphan County
Agricultural Conservation Easement Program (ACEP)

- Kansas received 29 Wetland Reserve Easements (WRE) applications through February 16, FY 2018.

- The next application submittal deadline—April 6, 2018.

- In FY 2017, Kansas enrolled 23 WRE for a total of 1,737 acres—most in any one year.
Agricultural Conservation Easement Program (ACEP)

- No Agricultural Land Easements (ALE) applications were received in FY 2017 or FY 2018.
Kansas Watershed Program

- Kansas had 9 projects, totaling $2 million in 5 watershed districts approved in FY 2017

- Funds will be used to update the work plans for the 9 projects plus designs for 2 of the projects

- Funds were obligated through project agreements with local watershed districts in February
Watershed Rehabilitation Program

- Kansas is currently working on 5 projects
- Planning has been completed on 2 sites and will be moving into design phase this spring/summer
- Planning is nearing completion on the 3 other sites
Soil Health in Kansas

In 2017, NRCS entered into 126 agreements for soil health covering 25,910 acres.

Non-Discrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

(1) mail: U.S. Department of Agriculture
    Office of the Assistant Secretary for Civil Rights
    1400 Independence Avenue, SW
    Washington, D.C. 20250-9410;
(2) fax: (202) 690-7442; or
(3) email: program.intake@usda.gov.
