

Area I: Trego County

KIDS AG DAY

Hosts the Water Jeopardy game every year at Kids Ag Day held in October. Approximately 150 fourth and fifth grade students attend.

GRASS FAIR BOOTH

The Grass Fair Booth is held yearly at the county fair. Fifteen to 30 samples of tall, mid, and short grasses are displayed throughout the fair week.

COVER CROP FIELD DAY

Field days have been held in 2015, 2016, and 2019. Support for field day came from local businesses and Soil Health Education Funds from the Division of Conservation. Soil Health Alliance leader, and local producer, was involved in field day.

CEDAR BLUFF WRAPS

Trego County was the Cedar Bluff WRAPS Coordinator for five years. The Conservation District was instrumental in getting more conservation BMP's on the ground to help with water quality above Cedar Bluff State Park.

DRILL RENTAL

The District owns two Great Plains No-Till Drills. One is available for rent and the other is used by a contractor to drill for the district. Grass seed, weed barrier, and drip irrigation are available for purchase from the district.
