

**AUTHORIZATION TO PLACE A SEAL ON
FLOWMETERS ON BEHALF OF THE CHIEF
ENGINEER**

**Sealing Water Flowmeters
K.A.R. 5-3-6b(b)**

I, David W. Barfield, Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, in accordance with the request of Big Bend Groundwater District No. 5 (GMD 5) of September 8, 2017 and pursuant to the provisions of K.S.A. 82a-706c, K.S.A. 82a 1028(l), (o), and (r), and K.A.R. 5-3-6b, hereby authorize GMD 5 to place a seal on water flowmeters that have been verified to be accurate by means of ultrasonic meter testing, or by an equivalent method, on behalf of the Chief Engineer for the specific purposes set forth K.A.R. 5-3-6b (b) and (c).

This authorization shall exist until further notice.

Effective March 8, 2018.

David W. Barfield, P.E.
Chief Engineer
Division of Water Resources
Kansas Department of Agriculture
