Dear Ronda Hutton,

My name is Philip Lohrenz i am a farmer and irrigator in NW Harvey Co. I am very concered what the city of Wichita wants to do with our water.

Wichita sells water to other cities for a profit, they want to pull water from us in dry years which will hurt us. It is not fair people with power and lots of money can change the rules the rest of us have to live by. Remember Agriculture is the # 1 industry in the state of Ks.

I am 100% opposed to Wichita being allowed to pull more water from district #2 that what they were permitted for on there wells.

Sincerely,
Philip Lohrenz
