

Food Safety Fact Sheet

Clean Plates and Food Bars

The Kansas Food Code requires that consumers use a clean plate on each visit to a food bar. The Kansas Department of Agriculture's Division of Food Safety and Lodging has developed a sign for you to post at your food bar to remind your customers of this requirement. There are two signs on the flip-side of this fact sheet. You may use them as is, or you may use it to create a sign of your own.

Required by Kansas Food Code KAR 4-28-8

Please use a clean plate
each time you visit
the food bar.
