Re: Request for Extension to Submit Written Testimony regarding
Burrton IGUCA Review Public Hearing

Mr. Boese,

I have received GMD2's request, dated November 29, 2016 to extend by an additional 60 days, the deadline by which to submit written testimony regarding the above-mentioned IGUCA review public hearing. I grant GMD2's request and extend the written-testimony deadline to February 1, 2017.

Any written testimony may be submitted by mail to the Kansas Department of Agriculture, Division of Water Resources or by e-mail to the contact for this hearing (David Engelhaupt: David.Engelhaupt@KS.GOV). Any written testimony must be postmarked or received by the extended deadline.

Notice of this extension, and any other extensions, will be posted on the DWR website regarding this matter.

Sincerely,

David W. Barfield, P.E.
Chief Engineer
Kansas Department of Agriculture,
Division of Water Resources
