RE: McPherson IGUCA - File 411.1  
Burrton IGUCA – File 421.12

Dear Mr. Barfield:

The Equus Beds Groundwater Management District No. 2 Board of Directors requests a 30 day extension of time to provide comments regarding the McPherson and Burrton Intensive Groundwater Use Control Areas' (IGUCA) reviews as presented at the October 4, 2016, public hearings.

At the November 8, 2016, monthly Board of Directors meeting, the District Board will further review the Burrton IGUCA and McPherson IGUCA reports and provide recommendations concerning, but necessarily limited to, the review teams' recommendations that the boundaries of both IGUCAs be expanded.

Thank you for consideration of this request. Please contact me should you have any questions or need additional information.

Sincerely,  
EQUUS BEDS GROUNDWATER  
MANAGEMENT DISTRICT NO. 2

Tim Boese  
Manager
