- For changes to your hours of operations, or if you have been granted inspection on an on-call basis, 9 CFR (2008) 307.4(d)(1) and (2) states,
- (1) Each official establishment shall submit a work schedule to the area supervisor for approval. In consideration of whether the approval of an establishment work schedule shall be given, the area supervisor shall take into account the efficient and effective use of inspection personnel. The work schedule must specify daily clock hours of operation and lunch periods for all departments of the establishment requiring inspection.
 - (2) Establishments shall maintain consistent work schedules. Any request by an establishment for a change in its work schedule involving an addition or elimination of shifts shall be submitted to the area supervisor at least 2 weeks in advance of the proposed change. Frequent requests for change shall not be approved. Provided, however, minor deviations from a daily operating schedule may be approved by the inspector in charge, if such request is received on the day preceding the day of change.

KDA will attempt to accommodate requests for change or requests for inspection services as late as two days prior to the requested change; however, we can't guarantee the availability of inspection staff unless the request is made at least 2 weeks in advance of the requested change. Requests should be made to the Area Supervisor. If you are unsure who the Area Supervisor is in your area, please contact the Manhattan Office at 785-564-6776.
