Oklahoma Reciprocal Certification Requirements

The following conditions apply to each applicant who wishes to obtain commercial pesticide applicator certification in Kansas based on the Reciprocal Agreement between Oklahoma and Kansas:

1. Applicant must be at least 18 years old.
2. Applicant has taken and **passed Oklahoma's** commercial pesticide applicator certification examinations.
3. Applicant is a commercial certified applicator and the certification is current. **OR** Applicant is a noncommercial certified applicator and his or her certification is current.
4. Applicant's certification has not been suspended or revoked and no enforcement action is currently pending against the applicant.
5. Applicant must submit completed application for commercial pesticide applicator certification.
6. Applicant must pay appropriate fees. The fee to reciprocate from Oklahoma is **\$75 per category**.
7. The applicant must be certified in the following category/subcategory(ies) and will be eligible for certification in Kansas in corresponding category/subcategory(ies) if all other conditions apply:

Oklahoma Certification Categories	Corresponding Kansas Certification Categories	Check All That Apply
1A Agricultural Plant 1B Agricultural Animal	1A Agricultural Plant 1B Agricultural Animal	
3 Ornamental and Turf	3A Ornamental Pest Control 3B Turf Pest Control	
4 Seed Treatment	4 Seed Treatment	
6 Right-of-Way Pest Control	6 Right-of-Way Pest Control	
7A General Pest Control	7E Structural Pest Control	

Total fees: Number of boxes checked _____ X \$75 = _____
