PESTICIDE DEALER REGISTRATION APPLICATION

For July 1, _____ to June 30, _____ New Renewal
 (year) (year)

A Pesticide Dealer (dealer) is any person or business who sells one or more pesticide products to someone for application (i.e., retails to end users). A licensed pesticide business selling pesticides only as an integral part of its pesticide application services does not need to register as a pesticide dealer.

Dealer registrations expire June 30 each year. If you sold any restricted use pesticide (RUP) product between January 1 and December 31 of the previous calendar year, the Kansas Pesticide Law requires completion of the *Restricted Use Pesticide Product Annual Report of Sales*. Renewal applications must be accompanied by the annual report of RUP product sales (see page two). Note: If no RUP products were sold, an annual report is still due, but indicate on the form that no RUP products were sold.

The registration fee is two-tiered based on pesticide product sales during the previous calendar year. For new applications and dealers that have annual sales less than \$2,500.00, the fee is \$25.00. For dealers that have annual sales of more than \$2,500.00, the fee is \$100.00.
