Kansas Industrial Hemp Research Program

Industrial Hemp Replanting Report for End-Use Production

Please review K.A.R. 4-34-20b (Planting Report) and K.A.R. 4-34-14 (Land-Use Restrictions) before completing and submitting the required document.

K.A.R. 4-34-20b. Planting Report.

- (b) A primary licensee on a research grower license shall submit a field planting report to the department within 15 days after every planting, including replanting seeds or propagules or establishing plants. Each field planting report shall identify the following for each research area:
 - (1) The official name of the industrial hemp variety that was cultivated, planted, or grown;
 - (2) the global positioning system coordinates for each research area where industrial hemp plants, plant parts, grain, or seeds are being cultivated, planted, or grown; and
 - (3) a statement of intended end-use for all industrial hemp plants, plant parts, grain, or seeds being cultivated, planted, or grown in each research area.

K.A.R. 4-34-14. Land-Use Restrictions: Please reference the Kansas Industrial Hemp Research Program's Rules and Regulations found here: agriculture.ks.gov/industrialhemp

After completion of the **Planting Report** form (page 2), please attach relevant documentation to support the report if necessary.

Examples of supporting documentation may include but are not limited to field maps with GPS coordinates indicating the entry point of the research area where the industrial hemp was planted.
