

## Kansas Industrial Hemp Research Program

### Voluntary Partial Destruction Report

Please review K.A.R. 4-34-16(d-i) (voluntary partial destruction) before completing and submitting the required document.

#### **K.A.R. 4-34-16(d-i). Voluntary Partial Destruction**

(d) Any primary licensee conducting research pursuant to a research grower license may voluntarily destroy any industrial hemp plants being cultivated, planted, or grown in a portion of any research area without withdrawing from the pilot program. Each primary licensee conducting research pursuant to a research grower license who intends to destroy the industrial hemp plants being cultivated, planted, or grown in any research area listed on that individual's license shall provide the department at least 15 days' notice of the date and time of destruction and shall notify the department of any change in the destruction date or time.

(e) Each primary licensee that has been issued a failing report of analysis shall comply with the destruction requirements in K.A.R. 4-34-18 and K.A.R. 4-34-19, as applicable.

(f) Representatives of the department or law enforcement may be present during any destruction of industrial hemp plants, plant parts, grain, or seeds, or proof of the destruction may be required by the department.

(g) Each primary licensee who destroys any industrial hemp plants being cultivated, planted, grown, handled, harvested, conditioned, stored, distributed, transported, or processed pursuant to that individual's license shall, within 15 days after the destruction, notify the department in writing of the number of acres of industrial hemp plants, plant parts, grain, or seeds that were planted in each research area and the number of acres destroyed in each research area.

(h) Upon destruction of any industrial hemp plants, plant parts, grain, or seeds, all volunteer plants shall also be destroyed during the current license year and for at least three years after the last date of planting reported to the department.

(i) Voluntary destruction of industrial hemp plants, plant parts, grain, or seeds shall be performed by a licensee listed on the research license application of the primary licensee and shall be at the primary licensee's expense. If the destruction of industrial hemp plants, plant parts, grain, or seeds occurs, the licensee shall not be eligible for a refund of any fees paid by a primary licensee. (Authorized by and implementing K.S.A. 2018 Supp. 2-3902; effective Feb. 8, 2019.)
