# DO NOT USE APHIS 7001

in Kansas for Interstate Movement

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control numbers for this information collection are 0579-0036 and 0579-0333. The time required to complete this information collection is estimated to average .25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

No dog, cat, nonhuman primate, or additional kinds or classes of animals designated by USDA regulation shall be delivered to any intermediate handler or carrier for transportation in commerce, unless accompanied by a health certificate executed and issued by a licensed veterinarian (7 U.S.C. 2143g; CFR, Subchapter A, Part 2).

APHIS Form 7001 (NOV 2010)

This certificate is valid for 30 days after issuance

# Commissioner's Order

- Allows the adoption or transfer of FIV positive non-symptomatic cats
- Shelter or rescue veterinarian may authorize the adoption or transfer
- Must include a statement of the symptoms, risks, and recommendations to minimize the spread of the virus
- Statement must be provided to the new owner or transferee of the FIV positive cat

# Commissioner's Order

- Allows dogs exhibiting signs of or diagnosed with a known infectious or contagious disease to be transferred from licensed animal shelters and rescue networks to foster homes
- Shelter or rescue veterinarian may authorize the transfer
- Must include a written treatment plan and statement on the importance of isolation of the dog(s) to prevent further exposure

# Animal Facility Inspection

# Animal Facility Inspections

# Licensing Year 2019 Inspection Stats

(October 1, 2018 through May 30, 2019)

**54,533 miles  
driven between  
3 inspectors**

**450 Total  
Inspections**

**335  
Routine**

**56  
Complaints**

# License Fees/New Fees

- License fees will increase for all categories except rescue networks
- No-contact fee
- Re-inspection fee
- Requested inspection fee

# Imported Dogs From Egypt

- 26 dogs imported by Kansas licensed shelter from Egypt
- All presented with international health certificates and rabies vaccinations
- Upon arrival all were placed in Kansas and Missouri foster homes
- On February 21, 2019 a 3 yr old mix breed female bit a technician at a Missouri veterinary hospital and developed neurological signs

# Positive Rabies Dog Imported From Egypt

- Confirmed rabies positive by the KSVDL
- 27 dogs have been quarantined at a licensed shelter for up to 6 months
- Over 20 people have received post exposure immunizations
- Investigation continuing
  - Falsified rabies certificates
  - Falsified rabies titers
  - Subsequent titer tests show only 7 of 26 had previous vaccination
