What species of animals are you willing to handle? _____

Do you have the capability to use roll off containers? Yes No

K.A.R. 9-4-1. Definitions. ‘‘Inedible meat’’ means meat and meat products derived from dead, dying, disabled, diseased, or condemned animals, or animals whose meat or meat products are otherwise unsuitable for human consumption, and shall include meat or meat products regardless of origin which have deteriorated so far as to be unfit for human consumption.

K.A.R. 9-4-5. Sales of inedible meats; registration. Inedible meat products (1) may be sold, when properly decharacterized, for shipment directly to a plant producing dog food, or (2) may be sold to a person for use in feeding dogs, pets, mink or other animals, as allowed by the commissioner.

Are you engaged in the business of selling inedible meats? Yes No

If yes, per K.A.R. 9-4-5., are you registered with the commissioner for the business of selling inedible meats? Yes No
