ENFORCEMENT SUMMARY

Warning Notices	0	Enforcement Comments: Federal lands with noxious weeds on them are Wildlife and Parks and visible to the eye that is had been treated. Treatment of Right-of-ways was up with year, as we got a few good weeks to spray. Treatment done by farmers was up as well this year. The input of cost versus cost-share prices fluctuate because we average cost of what's in stock already with what we get in new inventory and add \$1.00 per gallon for a handling fee.
