Signing the Petition:

Eligible voters can click on a candidate's public URL to go the candidate's petition page. To sign, simply enter your information, select which commodities you would like to vote for, complete the captcha verification, then submit your virtual "signature."

If you are not already registered to vote, this will still serve as your registration. Upon signing, you will receive an email confirming your signature, and the candidate will also receive email notification of your signature for their petition.
